Bigger Yields Flowering System[®]

You've finished your first crop using the Advanced Nutrients Hobbyist Bundle and now you'd like to take your garden to the next level. Below are more bundles you can add to the mix for increased essential oil production and even bigger yields.

Each bundle of the **Bigger Yields Flowering System** stacks on top of the previous bundle: **Hobbyist bundle, Expert Grower bundle, Professional Grower bundle, Grand Master Grower bundle** — this progressively adjusts the formulation, enabling a precise matching of nutrients to the changing and specific needs of your plant throughout its various flowering phases.

Follow this simple feeding chart designed by our research team.

▶ Week 4 may be repeated one or more times to lengthen the bloom phase.
